make a statement.

At 201 Portage, we are more than just floor plates and square footage. We are your business partner - an office space partner that is equally invested in growing your business as you are.

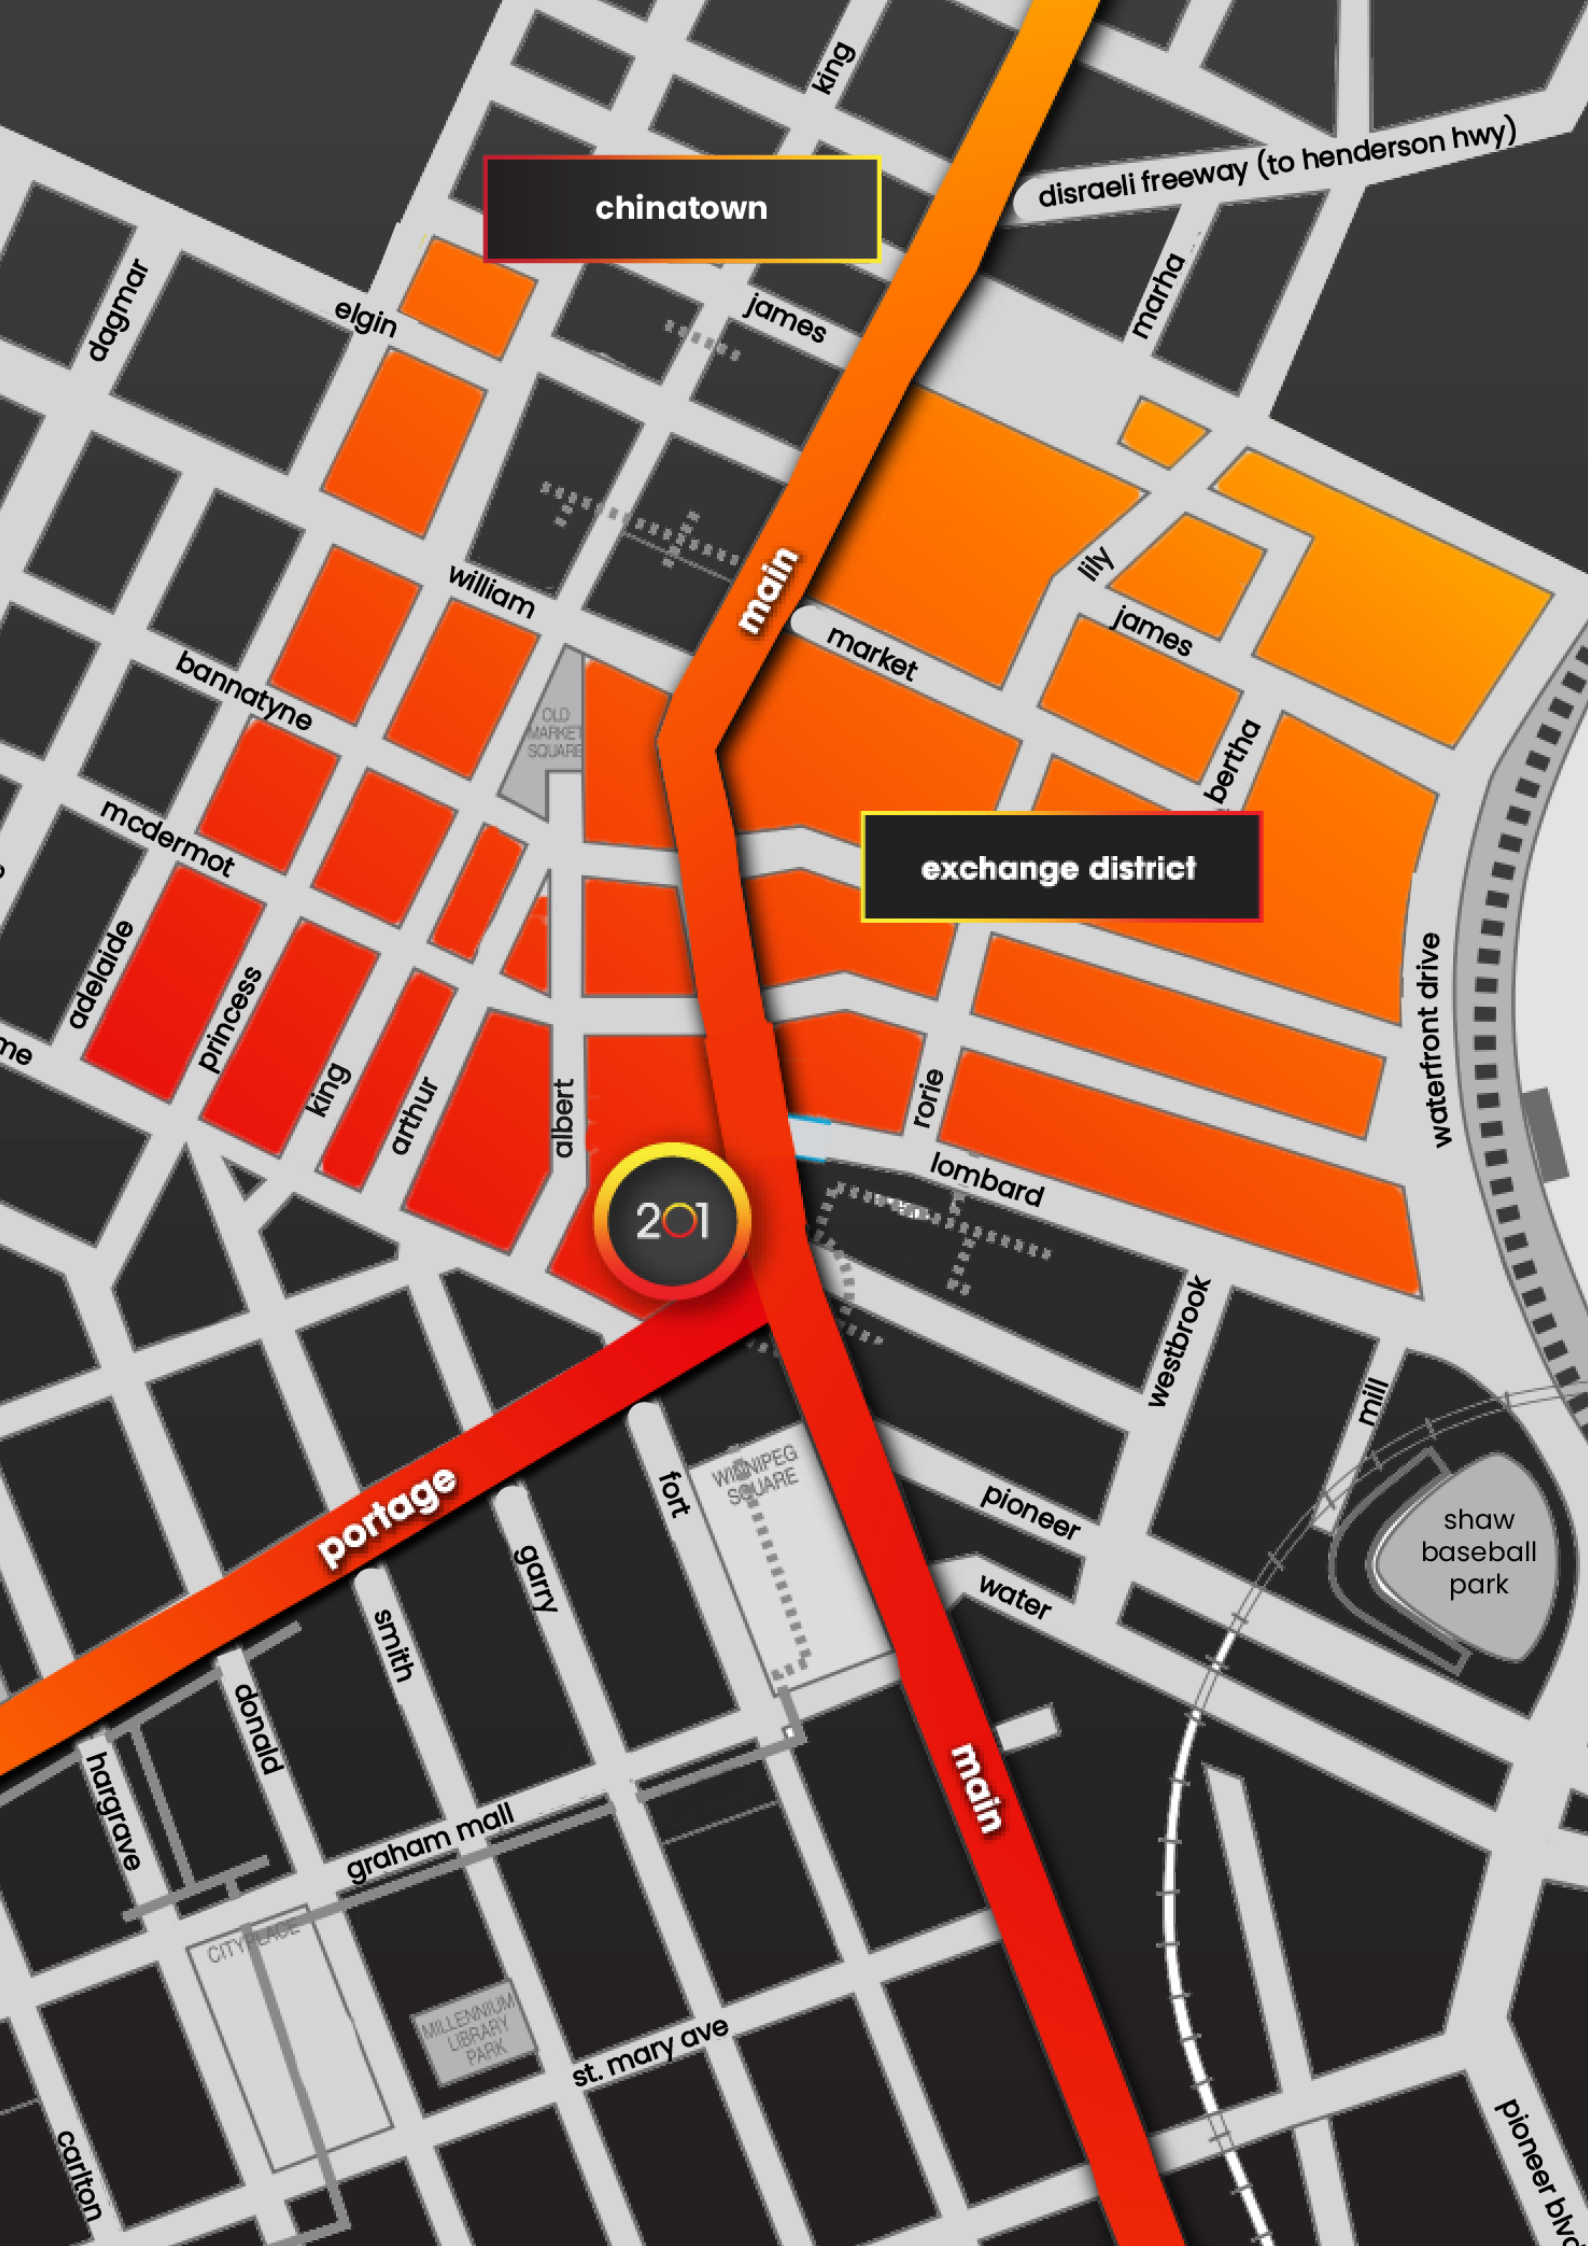

We've established 201 Portage as Winnipeg's #1 business address by doing things no other office tower does. By offering state of the art amenities, engaging year-round programming and connecting you to other prominent businesses, 201 Portage will transform your 9-5 grind into a lifestyle you love.

Overlooking Winnipeg's iconic intersection of Portage + Main, your employees and clients are exposed to countless perks that come with being at the centre of the centre. On-site parking, transit stations, premium hotels and restaurants, as well as Winnipeg's best attractions within walking distance including The Forks, Canadian Museum for Human Rights and the Bell MTS Centre are just a few bonuses that come with growing your business at 201 Portage.

201 Portage is also proud to be the gateway to the Exchange District, a National Historic Site that is home to North America's largest collection of heritage buildings and several of Winnipeg's best restaurants, museums and festivals.

In a world full of noise and empty promises, this is your opportunity to draw a line in the sand and have actions speak louder than words. To set your business apart from the crowd, stand tall and make a statement.

THIS IS 201 PORTAGE.

about
201

201 Portage has remained unrivaled as the tallest business landmark between Toronto and Calgary since its construction in 1990. With its detailed architecture and impressive height, 201 Portage Avenue has become a staple of the Winnipeg skyline and an icon of the city's image.

The building is managed and operated by Harvard Property Management who take extreme pride in the buildings they operate and 201 Portage is certainly no exception.

The Western Canadian prairie is the heart and soul of Manitoba. The land and the environment are the foundation of daily life and 201 Portage is deeply rooted in this commitment to sustainability.

The tower is BOMA BEST Certified Gold, a national program that measures and tracks realistic standards for energy and environmental performance. The certification is a testament to 201 Portage's operational efficiency and efforts to minimize its carbon footprint.

201 Portage is a proud participant and ambassador with 'Manitoba Race to Reduce' - a unique energy reduction challenge that involves collaboration between commercial building landlords and tenants to encourage smart energy use. Over the past two years, 201 Portage has reduced greenhouse emissions to the equivalent of removing 42 cars off the road for one year, not burning 83,801 L of gasoline or saving 21,544 trees.

world-class amenities.

spacious **courtyard.**

Landscaped to perfection, the courtyard at 201 Portage attracts both our tenants and visitors as many enjoy a breath of fresh-air or the local outdoor entertainment. The recent beautification of the courtyard has been instrumental in the revitalization of downtown Winnipeg. The crown jewel of the courtyard is the cutting-edge media panel, which is the largest high-resolution media panel outside of Toronto. The media panel has created a world-class gathering point for events and provides a highly engaging advertising opportunity for both tenants and third party advertisers.

engaging **events.**

201 Portage is proud to offer year-round events and programming, designed to improve the lives of our tenants as well as foster and facilitate the growth of the business community at 201. These engaging and highly interactive talks, seminars and networking events are a unique opportunity to connect with others, learn something new, and stay engaged with the latest trends in the business community.
